

(C) NONAPPLICABILITY OF OTHER POSTGRADUATE MEDICAL REQUIREMENTS.

IF AN INDIVIDUAL MEETS THE QUALIFICATIONS REQUIRED BY THIS SECTION AND THE QUALIFICATIONS OTHERWISE REQUIRED BY § 14-305 OF THIS SUBTITLE, A LOCAL HOSPITAL MAY NOT REQUIRE THAT INDIVIDUAL TO MEET ANY OTHER ELIGIBILITY REQUIREMENTS AS A CONDITION TO ANY POSTGRADUATE MEDICAL TRAINING AT THAT HOSPITAL.

REVISOR'S NOTE: This section is new language derived without substantive change from Art. 43, § 123A.

In subsection (a)(1) of this section, the phrase "that has standards for graduation equivalent to those approved by the American Medical Association" is substituted for the present language "which is recognized by the World Health Organization" in light of current practice.

In subsection (b) of this section, the introductory clause is added to clarify that while this section is an alternative to the degree requirements of § 14-305(d) of this subtitle, this section is not an exemption from the other licensing qualifications.

Subsection (b)(6) of this section is new language added to cover all other qualifications of this title rather than the more limited and partially inaccurate list of qualifications in present Art. 43, § 123A(a)(4) and (5).

In subsections (b) and (c) of this section, the more modern terminology "postgraduate medical education" is substituted for references to "internship" and "residency".

14-307. APPLICATIONS FOR LICENSES.

TO APPLY FOR A LICENSE, AN APPLICANT SHALL:

(1) SUBMIT AN APPLICATION TO THE BOARD ON THE FORM THAT THE BOARD REQUIRES; AND

(2) PAY TO THE BOARD THE APPLICATION FEE SET BY THE BOARD.

REVISOR'S NOTE: Item (1) of this section is standard language added to this and, where necessary, corresponding sections of other titles of this article. It states expressly a provision that presently is only implied in the law: i.e., that applications may be made only on the form required by the Board.
